

Katepwa Beach Golf Club Alcohol Policy

A part of our business is selling food and beverages in a golf course setting. We are dedicated to our customers' pleasure and satisfaction. However, when it comes to the sale and service of alcohol, The Katepwa Beach Golf Club is the registered owner of any alcohol licence and due to inherent legal liabilities and responsibilities only alcohol purchased at the KBGC is permitted on the course. Golf course personnel are given the authority to enforce this policy. Those who do not follow this policy may be asked to leave the golf course without compensation. We encourage all members and guests to be responsible in the use of any alcoholic beverages.

Guests who abuse the use of alcohol may also be asked to leave the facility. Abuse of personnel and or guests is not tolerated under any circumstance as per the KBGC Harassment Policy.
